

General Expectations of the Marriage Preparation Process

- † Couple will meet (with priest, deacon, liturgy coordinator) for 3-4 occasions throughout the engagement period. The final meeting is normally a month prior to the wedding and will be a planning session for the wedding Mass/Ceremony.
 - † The couple will make an “Pre-Marriage/Engaged Couple Retreat” (see www.toledodiocese.org) prior to the wedding and submit the certificate of completion to the priest or deacon for the marriage file.
 - † In addition, the couple will complete the FOCCUS Pre-marriage inventory; an online survey tool that will identify potential strengths and challenges in their relationship together. After taking the FOCCUS tool, a facilitated discussion will take place with the priest or deacon preparing the couple.
 - † The couple will be open and honest about all aspects of preparation, including any sort of possible physical or verbal abuse, and/or alcohol or drug usage.
 - † Couple will strive to be chaste in their relationship during the engagement period.
 - † Couple will be on time for appointments, especially for the wedding rehearsal, and agree to all policies indicated in the church where their wedding rite/Mass will take place.
 - † The couple will request a copy of their baptismal certificate from their church/parish of baptism with notations, and submit this copy to the priest/deacon for the marriage file.
 - † The couple will take the lead and initiative to contact Mr. Tony Zsigray, Director of Liturgical Music, at musicdirector@epiphanyofthelord.org or 419-360-1902
